“ Robert loved people! His many friends knew him well and knew they had a devoted friend in him. He was my brother and I will miss him immensely as long I live. Taken too soon and has left a deep hole in our family.

“ My sincere sympathies to Glenda, Brandy, family and friends of Robert. He was an exceptional friend, colleague and former drinking buddy. He is remembered as very sociable, friendly and having the goodness of heart to cheer me up and make me laugh. He was lucky to carry a youthful appearance - evidence of his liveliness. I will remember our fledgling start in high school drawing classes and his continued support when we initiated a Drafting Club our senior year at East Bakersfield High School. We were on the same career path, wanting to become architects. We traveled together to scout-out Cal Poly SLO and their architecture program, only to resign our formative first two years at Bakersfield College. I remember after college and before we had kids, we reunited with our spouses to go disco-dancing in the mid-70's at the Tam-O' Shanter Inn and the Milt's Iron Horse. We managed to periodically keep in touch through our respective careers, his and Glenda's Britania entrepreneurship, and most recently, a casual curbside meeting, reminiscing during this COVID pandemic. These moments remembered no one can steal away.

Brad, what a wonderful insight to my father's early years. I never realized you knew him in high school. Thank you so much for this beautiful tribute. ~Brandy Ann
