“ Today marks 1 year God called you home 4\*2\*2018 💔

*Sending love up to Heaven with this Rosary to our brothers beloved wife, our nephew & nieces lovely mother, daughter Inlaw & our sweet precious sister in-law Rocio 🌸*

*The sadness never goes away, the silent tears still flow, you're thought of and so sadly missed more than you'll ever know. But now your with the Angels safe and sound in Heaven above, we hold on to the memories and treasure them with love. Yet special times often make us wonder why God took you from this world, it was to soon to say goodbye. But memories are precious they will last a lifetime though we know that God has chosen you to to be with his Angels too.*

*RIP Rocio A. Jauregui 🙏*

“ Christmas

*Without You!*

*I knew it would be sad to celebrate and reminisce on Christmas, New Years, your kids & our brothers birthday and every Holiday to come! We try are very hardest to celebrate in your memory! As we put aside our sorrows with every unshed tear, and concentrate on all the joy we shared as a family when you were here! I'll never forget yesterday, I'll live for today, because you never know what tomorrow can bring, or what it can take away. I try my very hardest to keep a smile on our brothers and your babies face, but it quickly fades... I find it difficult to enjoy life knowing they are hurting and there is nothing i can say or do!! I ask for your guidance Rocio to help mend their broken hearts and their wish for you to still be here! We miss you dearly & my heart breaks for our brother and your babies💔 gone to soon but never forgotten! Rocio we love you!*

“ I want to wish our niece Kimberly Jauregui a very special Happy Birthday 8\*20\*2003 today she turns 15th years old!

*Kimberly I would like to share a message from your mommy in Heaven...*

*“Kimberly if I could give you 3 things, it would be the confidence to always know yourself worth, the strength to chase your dreams and the ability to know how deeply loved you are❤️ As your Mother I promise you that I will be in one of three places, in front of you to cheer you on, behind you to have your back, or next to you so that your never alone” this is not how we envision celebrating your 15th birthday, tu papi y yo had other plans, to make you a huge Quinceañera with all your tíos and tias becoming your nino’s & nina’s your cousins & friends as damas, and watching you dance the father daughter dance con tu papi.. as your papi tries to figure out this life without me physically be patient with him, and help him along the way.. mi princesa you have made me so happy, as I continue to watch over you from heaven there is not a day that goes by you don’t make me proud of the beautiful young lady you are becoming.. mi Nina hermosa te quiero mucho tu Mami” ❤️*

“ Our lovely sister, words cannot express the hurt and disbelief that feels our hearts the tremendous lost our family has endured is painful, not being able to see your beautiful smile or here your bashful laugh see u at our many family gatherings brings tears to my eyes but the promise of being together in eternity gives us peace knowing that you are no longer in pain or sick but renewed in the presence of our Lord. Your memory will forever live on in your precious children and husband ❤️ we promise to be there for your children and your payaso every step of the way and always. Forever in our heart we love you .
