“ When I was 11 years old I lost all my grandparents all in the same year. With that being said when Marty & I started dating I gained his grandparents. They took me in as their own. They welcomed me into their home. I've gotten to experience so many memories with grandpa over the past 12 years of Marty & I together. I'm so thankful for these memories and blessed to call him my grandpa. He loved our kids so much and they brought the biggest smile to his face. We will miss you grandpa & we love you so much.

❤️ Amanda
