“ *My heart is broken of the passing of my cousin Ron. My family and I send our deepest sympathy and prayers to Marilyn, all of his kids, and family.*

My fondest memory of Ronnie is his big contagious laugh when he got tickled about something. It filled me heart with happiness and joy! Also, playing the game Aggravation around our grandparents table in the dinning room with our other cousins.

I am so thankful I was able to talk and laugh with him on different occasions over the past couple of years. He is loved and will be missed by all who knew him. God bless!

Love, Melinda Felty
