“ Awe Rosie I am crying so hard right now. I am so very sad to find out that you had passed away a few years now. You are such a beautiful woman beyond words. I had the honor to have worked with you a few years in Bakersfield. I never imagined last time I saw you was the final time. Words can't describe how sorrow I felt deep down inside. You were always so sweet, so giving, and had the brightest, contagious smile. I will always hold your memories deep down inside my heart. May you forever rest well my beautiful mom, and friend. ❤️❤️🙏

Love you always and forever  
Somley Mao.

“ One thing that stands out about Rosie, is she was always full of life and loved to make people happy. She always shared jokes with us when we got together, just to make us laugh. She never missed a birthday, anniversary or special event for her friends and family. It was so enjoyable to get a card from Rosie and Joel remembering our special events. She is one special lady and will always be a part of our hearts. We love you Rosie!!, your cousins, Jeanette and Gerald Adams

“ Rosie was a good friend of my mom Sylvia Foust and that is how I got to know her. She was always so sweet and never forgot to call and/or send me a card for my birthday. She will be missed but I am so thankful I was blessed to have her in my life. -Joyce Foust Childers
