“ To my beautiful 2nd born baby, losing you has been the hardest thing I have ever done, this pain is one that should never be felt by anyone, I just want you to know how proud I am of you an how much momma misses you an loves you, I'm not sure how to move on or even get past this, everything I do or see reminds me of you an the anxiety sets in, I seen you yesterday for the last time in body form an knowing I will never see u again kills me but I made sure your service was a nice one an I have the place handkerchief that u were holding, the last thing you touched here at home, until we meet again my beautiful baby girl, it was a pleasure being your mom Savannah cheyenne McCoy... love u
