“ With heavy hearts we say good bye to our friend Bill. Our friendship dates back to 1966 in Montgomery, Alabama. Who knew that sailors would meet in Montgomery? Our paths crossed several times while we were in the Navy. We shared many laughs, dinners, family times and precious moments. We have stayed in touch these many years. “ Bill was my cousin and I have many fond memories of us growing up and being together during our Foose family get togethers whether they were at picnics, or during the holidays. It was great to have have Bill and Sharon close by in Bakersfield while we lived in Paso Robles, CA so we were able to visit from time to time. Bill will be missed by all who knew him but we know he is in a better place now.
