“ I am deeply saddened to hear about Bill's passing. We have known each other since Jr. High. While I hadn't seen Bill as often as I would've liked, we caught up with each other and shared some laughs whenever our paths crossed. One of my vivid memories is when I received a traffic citation several years ago. I showed up at Bill's Traffic School . When he saw me he laughed and said "Not again". As many know, Bill loved wrestling, as a competitor, and official. He gave back to our community and will be sorely missed. My deepest condolences to Bill's family. RIP my friend and I'll see you on the other side !!
